ASSIGNMENT AND ASSUMPTION AGREEMENT

This ASSIGNMENT AND ASSUMPTION AGREEMENT ("Assignment Agreement") is entered into as of July 10, 2003, between C.I.T. Leasing Corporation, a Delaware corporation ("Assignor") and MRC Rail Services, LLC, a Delaware limited liability company ("Assignee").

RECITALS

A. Assignor and Assignee are among the parties to the Purchase and Sale Agreement dated as of June 27, 2003 (the "Agreement") pursuant to which Assignor has agreed to sell, assign, convey or otherwise transfer and Assignee has agreed to acquire certain Cars and Leases (as defined in the Agreement) for good and valuable consideration.

B. Assignee desires to acquire, and Assignor desires to convey the Lease describe on Exhibit A attached hereto and made a part hereof (the "Lease").

ACCORDINGLY, THE PARTIES AGREE AS FOLLOWS:

1. Assignment of Lease. Assignor hereby sells, assigns, conveys and otherwise transfers to Assignee, and Assignee hereby acquires all of Assignor's rights and interest under the Lease; provided, however, that Assignor does not transfer, and Assignee shall not acquire, any interest in (a) any amounts owned or payable to Assignor with respect to the Lease which are attributable to periods prior to the date hereof (whether due from the lessee, carriers or otherwise) and (b) any claim or right, including, without limitation, the benefit of any indemnification for tax or other matters, which Assignor has or may have the right to assert against any person under the Lease (including, without limitation, the lessee) or otherwise (including under any insurance contract), insofar as such claim or right relates to assets not sold by Assignor pursuant to the Agreement or to matters which arose or may arise from or be related to any event or circumstance occurring or in existence prior to the date hereof.

2. Assumption of Assumed Obligations. Assignor hereby transfers, delegates and assigns to Assignee, and Assignee hereby accepts from Assignor the transfer, delegation and assignment and assumes and agrees to pay, perform and discharge all liabilities, obligations and duties of Assignor incurred, accrued, arising or to be performed at or after the date hereof, under or in connection with the Lease. As between Assignor and Assignee, Assignor, in respect of the period on and after the date hereof, shall have no obligations under the Lease.

3. Amendments. No provision of this Assignment Agreement may be amended, modified or waived except by written agreement duly executed by each of the parties hereto.

4. Notices. All notices, requests or other communications to or upon any party hereto in connection herewith shall be given in the manner prescribed by Section 22 of the Agreement.

5. Headings. The section headings used in this Assignment Agreement are for convenience of reference only and shall not be used or construed to define, interpret, expand or limit any provision hereof.

6. Counterparts. This Assignment Agreement may be executed in separate counterparts, each of which when so executed shall be deemed to be an original and all of which taken together shall constitute one and the same agreement.

7. Governing Law. This Assignment Agreement shall be governed by, and construed and enforced in accordance with, the internal substantive laws of the State of New York, without giving effect to its conflict of law rules (other than Section 5-1401 of the New York General Obligations Law).

8. Entire Agreement. This Assignment, and the other ISG Operative Documents (as defined in the Agreement) (together with their exhibits and schedules) represent the entire agreement of the parties with respect to the subject matter hereof and thereof and supersede and cancel any prior oral or written agreement, letter of intent or understanding with respect to such subject matter. To the extent the terms of the Agreement conflict with this Assignment and Assumption Agreement, the Agreement shall control.

9. Binding Agreement. This Assignment and Assumption Agreement shall be binding upon and shall inure to the benefit of the successors and assigns of each of the parties.

IN WITNESS WHEREOF, Assignor and Assignee have executed this Assignment and Assumption Agreement as of the date first set forth above.
